1300E SERIES WALK-IN ENTRY DOORS

Durable and attractive walk-in entry doors allow easy access

STANDARD FEATURES

- **Multiple finishes** for matching Reach-in doors and full length handles
- **Adjustable vinyl wiper seals** — Installed for enhanced sealing capability
- **Frame Threshold** — All frames are built with a bottom threshold (*unless “no threshold” is requested to accommodate roll-away shelving cart*)
- **EZ Torque** — for comprehensive door adjustment. Easy Torque controls the doors closing tension and centers the door in the frame opening

WALK-IN ENTRY DOOR OPTIONS

- 1/2 or 2/3 fritted glass available in black or white
- Round Push Bar
- Stainless or Diamond Kick Plate
- Slim Line or Elliptical Handles

- Optional Gen 3 LED or LED Lighting

UPGRADE YOUR COOLER AREA INTO A SHOWPLACE!

CISAPLAST USA's all-glass *Walk-In Entry Doors and Roll Away Shelving Carts* are good looking, practical additions to your cooler lineup!

For improved sales yield in walk-in coolers, including beer, beverage or deli items, they can be merchandised behind the all glass Walk-In Entry door. Cisaplast USA's mobile Beverage or Deli Unit can be rolled back and out of the way for easy access to the cooler. When the door is closed, the mobile cart is pulled behind the glass door, with wheels locked to increase your merchandising display area.
